

Tidy up!

Do you get tired of using your hands to tidy your mess? Here's a trick to help you tidy up your paper mess without using your hands!

You will need:

- 1 waste paper
- 1 Plastic comb
- 1 child with hair!

What to do...

- Tear a waste paper into small pieces.
- Comb your hair.
- Now use your comb to pick up all the pieces of paper.

When you comb your hair, the comb gets charged up. It can now pick up small pieces of paper for you!
